In order to protect the integrity of these exams, and so that teachers can teach right up to the day of the exam, we ask that students not request to take exams early. If it does become necessary for a student to miss a scheduled exam, we ask that he/she take that exam upon their return in January, or on one of the scheduled exam days after other students are dismissed. Requests to take final exams during a time other than the prescribed period must be submitted to Mark Dalton, Associate Principal for Curriculum and Instruction.
